5. I believe this picture to be of my great-grandmother, Melissa Sessions Baum. I think it is same house shown in No. 4. Note the chimneys, roof line and windows showing at east end of building.
6. I think this picture of steps, porch and doorway to be of the ~~main entrance~~^{west side, Main Street} entrance to old Baum house in previous pictures. Person on left could be Isabell Baum. Just a guess (Sarah Elizabeth)

8. I went with Aunt Della to this house once as a child. I don't remember that anyone lived there at the time. I think it was in the vicinity of Lester Jones home in northwest Heber or maybe one block ^{farther} west.

Found Scrawed in an address book by Aunt Ruby M. Gott :

" We moved from Park City to Heber City, Utah - July - about the middle of July, 1904. - long time to live in the same old house - bought it from Mern Goodle."

Could that be Goodall ?
